Ellenville NY Forward Vision

Ellenville's vision is rooted in its historic character, cultural diversity, and role as a vital commercial and civic hub for the tri-county region. Framed by the Catskills and Shawangunks, the Village seeks to create a thriving, equitable, and walkable downtown with diverse housing, local businesses, niche manufacturing, arts and cultural spaces, restaurants, places of worship, and recreational opportunities. By renewing historic and vacant properties, Ellenville will build a connected, affordable, resilient, and welcoming community that honors its heritage while expanding opportunity for residents and visitors of all ages.

Ellenville NY Forward Goals

Goal 1: Strengthen Ellenville's role as a regional destination by activating vacant properties, supporting a diverse mix of businesses, and expanding housing, lodging, and employment opportunities.

Goal 2: Create a safe, walkable, accessible, and connected downtown by improving streets and public transportation and by strengthening links among businesses, neighborhoods, cultural destinations, and recreational opportunities.

Goal 3: Build on Ellenville's historic character and cultural diversity by investing in welcoming, resilient public spaces, community amenities, and year-round activities for residents and visitors of all ages.
